

WHEN COMPLETED, THE diagram will contain a quote from a work by an Albertan author. The quotation is an anagram of the WORDS. The letters in the upper right corner of each square in the diagram indicate the WORD that contains the letter to be entered into that square. The numbers under the letters of the WORDS correspond to the numbers in the upper left corner of the diagram squares. The first letters of the WORDS spell the author's name and the title from which the quotation is taken.

Solution to Acrostic Alberta #2 Summer '98

Greg Hollingshead SPIN DRY

"If everybody's got a TV and you're far enough from the next guy that you can handle the backbeat from his stereo after eleven with a set of earplugs, what's the problem? It's like front lawns. [They're not there to be on, except with a lawn mower.] They're a frame. To separate the house from the sidewalk."
